lemon tree

Lemontree is a non-profit that helps Head Start Families put an affordable, healthy and delicious dinner on the table.

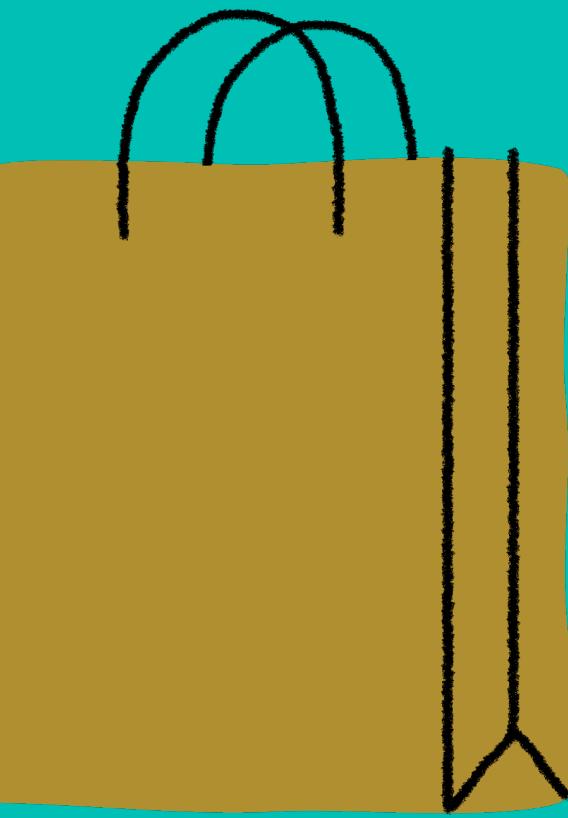

We create healthy grocery
bags distributed through
Head Start Centers.

How it works:

Order

Families order food by text message...

Pickup

Pick up three days later at your site...

Cook

And use our recipe to make a fresh, home-cooked, meal.

Every week our professional chef designs healthy and delicious recipes.

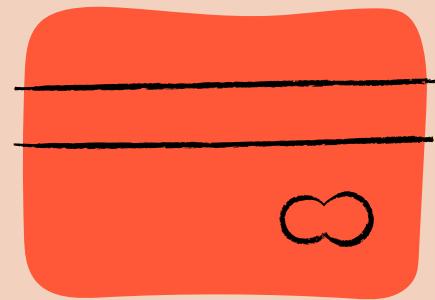

Asian Chicken with Broccoli

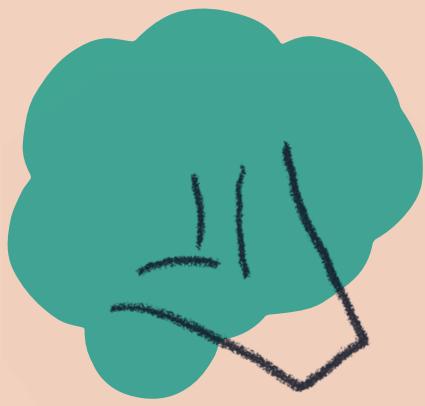

Vegetarian Macaroni and Cheese

Clients choose Lemontree because we are:

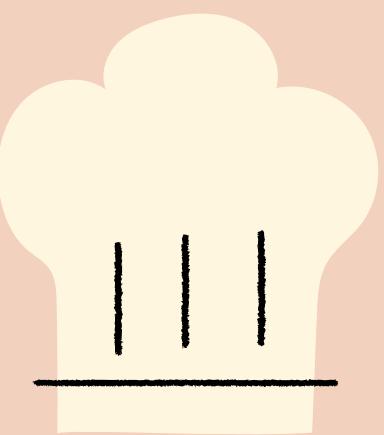

Affordable

Cheaper than store-bought meals, EBT accepted.

Healthy

Colorful, vegetable-filled plates with lean proteins.

Delicious

Chef-designed recipes for the pickiest eaters.

Head Start Parents Love Lemontree

“I cooked an eggplant for
the first time last night.”

-Ana Correa

“My son ate ALL the
Butternut Squash!”

-Marilia Lacerda

Centers love Lemontree because we do the heavy lifting:

Subsidized Groceries
Customer Service
Recipe Design

Order Packing
Refrigerated Trucking
Complimentary Fridges

* Each of these is eligible for in-kind credit.

Center staff love Lemontree because we provide discounted groceries.

We understand that the Headstart community is at the center of our work. At each site, we provide discounted groceries to site staff who help with small tasks on the ground.

Lemontree requires minimal space from partner sites.

Each Lemontree site only needs to have space for a single door fridge (30" W x 32 1/4" D) and a small shelf (48" W x 18" D).

We provide all fixtures.

**Now accepting applications for
early 2019 partners.**
